

EO 13,392

- OMB Reintroduces EO Nov 05
- DoD level only
- Comments submitted
- EO 13,392 issued Dec 14, 2005

EO 13,392 Becomes A Reality

- Executive Order introduction is a surprise to some agencies
- States that a citizen-centered and results-oriented approach will help avoid disputes and related litigation
 - Reflection of current management trends

EO 13392-A Reality

- Better Service to Requesters
- Service Centers and Public Liaisons seen as alternatives to S.0394 establishment of "Office of Government Information Services"
- Alternative to Proposed Legislation?
 - S.0394 still an active proposal

EO 13,392 Requirements

- Name Agency Chief FOIA Officers (ACFO) by Jan 14, 2006
- Agencies will establish one or more FOIA Service Centers as first point of contact for requesters
- ACFO will designate one or more FOIA Public Liaisons as FOIA supervisory officials

EO 13,392 Requirements

- ACFO will consider additional FOIA related public assistance to be given
- Agencies shall use, as appropriate, existing staff and resources, but shall have "appropriate staff"
- Information on Centers will be posted on agency websites

EO 13,392 Requirements

- Review conducted by ACFO of agency's FOIA operations
- Plan ACFO will develop an agency specific plan to improve the FOIA process and address backlogs
- Report Head of Agency will submit a report to AG and OMB by June 14, 2006

- DepSecDef names Mr. Michael Donley, DA&M as ACFO on Jan 11, 2006.
 - DA&M will oversee establishment of Service Centers and Liaison Offices and development of plan
 - DoD Components "shall commit adequate resources" to Centers and Liaison Offices

- DA&M Issues Guidance on Feb 1, 2006
 - EO requires higher degree of senior leader oversight on FOIA
 - DoD programs have been underemphasized and inadequately staffed
 - Establishes Defense FOI Policy Office (DFOIPO) as action agent for EO

- Phase I: Establish organizational structure and increase public awareness
- Phase II: Review current FOIA operations and develop plan for improvement
- Phase III: Improve FOIA services and eliminate or reduce backlog

- FOIA Requester Service Centers
 - DoD components shall establish one or more Centers to serve as initial points of contact
 - DoD Components shall have their FOIA Requester Service Centers designated and operational by March 1, 2006

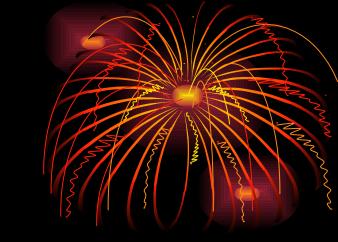

- FOIA Public Liaisons
 - Supervisory personnel in addition to personnel serving in Service Centers
 - One or more individuals designated to ACFO as Public Liaisons-posted on websites
 - 16 Public Liaisons with major components having option to designate more

DoD Public Liaisons

- DoD component Chief Public Liaisons should be staffed at GS-15/06 level
- DoD Public Liaisons should have appropriate knowledge of FOIA
- Appropriate to designate current FOIA policy Chiefs as Public Liaisons and upgrade billet

- Review, Plan and Report
 - DoD components will conduct review of FOIA operations and submit results to DFOIPO by May 1, 2006.
 - DFOIPO will lead the DoD effort with Component support essential
 - DFOIPO will issue further guidance

EO 13392 DFOIPO Guidance

- Memo Out 10 Feb 2006
- DFOIPO Established with Personnel Serving Concurrently
- 30 DoD Components Designated To Submit Reviews to DFOIPO By May 1, 06
- Review Will Forward Information On Six Areas
